Informatory Note Regarding Off-Campus Access (over VPN) and Useful Links:

Our students can access online resources through the university network by following the off-campus access procedure. For further information:

On off-campus acces over VPN:

1) https://library.yasar.edu.tr/en/remote_access/
2) https://bim.yasar.edu.tr/en/services/staff/off-campus-access-vpn/

Guide on GlobalVPN installation:

https://bim.yasar.edu.tr/en/wp-content/uploads/2020/03/VPN_WIN-MAC-en.pdf

Students having off-campus access can reach all resources available at our Virtual Library via: https://library.yasar.edu.tr/en/

In addition, our university also provides students access to Microsoft Word and other related applications that are used for exams and courseworks. Students, at this point, can use their Yaşar University Student Account credentials to use such applications throughout their study period. For video conferencing, students can also access Microsoft Teams with the same accounts.
